*PINOCCHIO The Italian Musical* is a show suitable for the whole family which amuses and surprises with its great special effects and fascinates with dances and songs. A great cast of the very best performers, surprising and special effects, spectacular changes of scene, exciting songs, colourful costumes give life to over two hours of show with a quick-paced rhythm.

The director Saverio Marconi says in a statement "PINOCCHIO has been staged abroad, first in Korea and then in NYC and we believe that it would be the best way to promote Italian culture through musical theatre".

For the first time in Milan, *PINOCCHIO The Italian Musical* will be subtitled in English with "smart titles" on mobile devices thanks to a free Wi-fi and the Opera Voice TM App.
